Extended Day (Latchkey) Program

Extended Day is operated as a service to the families who have students enrolled in our school. This service is both valuable and necessary to meet the needs of our working parents who are looking for a safe, comfortable environment where children can unwind from the structure of a classroom setting while at the same time get started on assignments in a conducive learning environment. Students may use the program only on days when they are in attendance during the school day.

HOURS OF OPERATION

Extended Day is available from 2:30 - 5:30 PM on days when school is in session. It is important every child be signed out by the parent or another authorized person by 5:30 PM. In the event of an emergency situation, parents must notify Extended Day prior to 5:15 PM. If a child remains past the closing time, a fine will be assessed at the discretion of the supervisor and principal. Repeated violations may result in dismissal from the program.

2009-10 FEES

Fees for the Extended Day Program are as follows:

Number	Per Hour
1 Child	\$3.75
Each additional child	\$3.00

These charges are calculated and statements mailed every two weeks. Payment should be sent directly to the school office and is expected prior to the next billing cycle.

SNACK CARDS

Snacks will be sold for 25¢. Snack cards can be purchased in increments of \$5 (buys 20 snacks) and \$10 (buys 40 snacks). Each purchase will be punched on the card. When buying the snack card, the parents will decide on the number of snacks to be purchased each day by the child. Drinks are provided by Extended Day. Students will not be responsible for carrying the cards. Cards will be kept by the Extended Day supervisors.
