

The Falcon Club Recruitment Information

The All Saints Catholic School Falcon Club exists to render service to All Saints Catholic School, the administration, faculty and students.

It's mission is to provide financial support through fundraising efforts for needed supplies, equipment, faculty and student workshops, projects and scholarships that are not otherwise provided for in school budgeting. Also, through a variety of committees, The Falcon Club exists as a means of social interaction, parent education and school support.

Falcon Club activities include the Summer Pool Party, Welcome Back to School Ice Cream Social, Pastries for Parents, Movie Night, Spirit Wear, Falcon Fest Dinner, Teacher Appreciation Luncheon, just to name a few.

It is a fun group of volunteers that meets on the last Tuesday of each month throughout the year. All parents are invited to join and become involved in the Falcon Club. Additionally, one person is asked to volunteer to be the Falcon Club Representative for each grade. In this role, the rep is the parents' voice to the Club and facilitates communication from the Falcon Club back to the parents.

Please consider getting involved in the Falcon Club and let Andrea Ohrt know if you are interested. All Falcon Club volunteer hours go towards your school service hour commitment.

For more information on the Falcon Club, please visit the Bulletin Board just inside the school's front entrance or contact:

Andrea Ohrt (andrea.ohrt@metzgers.com)

Thanks!
