

# All Saints Newsletter

August 26, 2009

Our exciting Magazine Drive Kickoff Assembly was held this afternoon. The packet and a two-side flyer were sent home with the students today. This is a major fundraiser for our school. Our profit is 40% of the sales. This year our goal is \$25,000. If we reach our goal, Air Extreme will come to All Saints.

This year we have opted to return to the **Pay Now Plan** when sales are made. . This change was made because there were too many individuals who purchased magazines but did not fulfill their obligation to pay for them on the Pay Later Plan. **The preferred payment for this year's subscriptions will be checks made payable to All Saints.** If you do not wish to purchase or renew magazines, you can still participate and win prizes. **A ten dollar donation will equal one magazine subscription.**

As in years past, we know we can count your participation.

## Drivers of Students

It has come to our attention that some drivers are using the "gravel" driveway behind the playground. **If you choose to use that access, please remember the speed limit is 15 MPH.** For the safety of the children and others who may be using this area for delivery purposes, your cooperation is necessary so the driveway may remain open.

## Box Tops News

Be sure to check your local ads for "bonus" box tops being offered. Some stores are currently offering 50 and 100 bonus box tops. Last year our school received \$886.33 from the Box Top Program. **We are half way through the first week and everyone is doing a great job!**

**Thank you.**
