In an effort to improve and expand upon youth soccer opportunities for the kids of Rossford, the Rossford Recreation Department in association with both the Boys & Girls Varsity Soccer Coaches at Rossford High School have decided to partner with the ESSL (Eastern Suburban Soccer League) for the Spring 2011 Soccer season. This program will consist of expanded opportunities to participate as we offer more age groups than ever before, and it will add an exciting new aspect to the game, travelling to surrounding cities for fresh competition! The Rossford Recreation Department will continue to offer "in-house" (non-travel) leagues for 4 to 6 year olds, while switching to the travel format for 7 to 14 year olds. Below is some information regarding the league. If you have more questions, feel free to contact Ivan at (419)666-2905.
