

Dismissal Update

At dismissal, buses are called at 2:30 PM.
Car riders are called at 2:35 PM.

Cars are to stop at the church along the curb that is not painted.

Buses will park along the curb that is painted yellow.

Incoming cars may not use the traffic lanes closest to the school.
These are reserved for buses leaving the lot.

Instead, use the parking lot traffic lane closest to the wooded area.

Once the buses have pulled away, cars may move forward along
the curb lane.

If you are parking, drive in the lane next to the wooded area and
take a parking space in the section in front of the McAlear Center.

After you have parked, walk to the teacher supervising the students
to pick up your child(ren). It is not safe to motion students to walk
out alone into the lot as cars are leaving.

Thank you for your cooperation and have a relaxing weekend.
