

Lunch Update

Beginning Monday, August 31, lunch money will be collected immediately following morning announcements. This change should allow students to move through the lunch line more quickly resulting in more time to eat and less wait time.

The preferred method of payment is by check for multiple lunches. If you send money for one lunch, please make sure that you send the exact amount.

Lunch prices are:

Preschool through Grade 4:	\$2.50
Grades 5 through 8:	\$2.75

Checks or cash must be placed in an envelope clearly marked with the amount of money enclosed as well as your child's name and grade.
